“Apartments Meidoornlaan”

The roof on this residential building is made very usable and attractive with a small budget. The combination of tiles and sedum carpet together with wooden bins and pergola gives the residents an outdoor space with style and a pleasant place to be in.

ZinCo Benelux is a supplier and adviser of ZinCo Green Roof Systems in Belgium, Luxembourg and the Netherlands. The ZinCo Green Roof Systems provide clients with complete system build-ups for every type of Green Roof. The product range includes: extensive Green Roofs with rockery type plants, flourishing roof gardens as well as Green Roofs in combination with walkways and driveways.
